As a buyer of tickets from the Ticket Club, I was impressed with the great service and tremendous selection of events and venues I was able to choose from. I was so impressed, when I found out a franchise was available in the Barrie area I jumped at the opportunity. With the help from the great people at the Ticket Club my business continues to grow bigger and better everyday. It really is " your ticket to the best seat in the house!! "

*Thanks Ticket Club

Just wanted to say thank you for the all the time and effort you put in helping us get tickets to the Toronto , Montreal game in January. It was a Christmas gift that was very much appreciated by David, myself (Hazel) and the children. This was a family event that went off without a hitch thanks to all your hard work and dedication to your customers.

The seats were great and everyone had a wonderful time. Again thank you and we look forward to doing business again in the future.

*Regards,
